Amazing Grace My Chains are Gone

Reception to follow

**The Good Lord has taken me home,
I've joined Pauline, no longer to roam.**

**Once again, I have found my mate,
Be happy for us just celebrate.**

**The Lord has been very good to me,
He's given me a very long life you see.**

**Blessed me with a wonderful wife,
Seventy-two years she was a part of my life.**

**I couldn't have found better I thought,
Into this world five children she brought.**

**The Lord made us hustle to stay alive,
He provided everything needed to thrive.**

Loved the mountains, camping and fishing,

Loved our motorhome and traveling.

Grand, Great & Great Great grandchildren came,

Now they can have all the fame.

**Once again, I have found my mate,
Be happy for us, No Grief, just celebrate.**
